

# ALGOTRADER

Trade Like a Hedge Fund in Less Than 30 Minutes a Day

## 3 MINUTE QUIZ – WILL ALGOTRADER WORK FOR YOU?

Answer the statements below with a YES or NO answer. Add up the total number of YES's

	YES	NO
Are you an active trader?		
Are you a casual part-time trader?		
Are you tired of watching your account decline during market down turns and bear markets?		
Do you have a detailed trading plan to work from?		
Do you currently have a financial advisor managing your money?		
Do you have clear trade criteria for a new position and position management?		
Use a protective stop on every trade to limit losses in the event of a selloff or market crash?		
Do you a clear position sizing strategy to maximize your account growth?		
Do you have trading rules but do not stick too?		
Do you have a routine that gets you back on track when you're trading is off?		
Do your losing trades typically out-weigh your winners?		
Do you have having several winning trades, followed by much larger losing trades that wipe away your winners?		
Do you experience hesitation, apprehension, uncertainty, or fear when you are about to trade?		
Do you double-down after a losing streak or when you're losing to re-gain profits faster?		
Have you ever experienced the "I don't care" mode and watched your money disappear?		
Were you successful in another profession and find trading is affecting your confidence and ego?		
Do you lose sleep over your trading?		
Are you exiting positions too quickly instead of waiting for its full potential?		
Do you manage your positions/trades for maximum profit?		
Are a high percentage of your trades defensive?		
You logically know what to do in a trade but find you are not taking the actions you should?		

Total the number of YES's: \_\_\_\_\_

IF YOU HAVE MORE THAN SIX YES'S THEN YOU NEED AN AUTOMATED TRADING SYSTEM. LET ALGOTRADER SHOW YOU THE WAY TRADING SHOULD BE.
